

## Phantom of the Opera Cast List

This was by no means an easy show to cast, which, as you will hear me say time and again, is an incredibly fortunate problem to have. **I want to express my heartfelt thanks for each and every one of you who auditioned for this show!** We were truly blown away by the maturity, professionalism, preparedness, and talent you brought to this process. Please know that the casting decisions you see below were very difficult to make, due in large part to the incredible talent we witnessed throughout auditions.

We will not be having a meeting after school today as initially indicated. If your name is below, please plan on attending a full cast meeting on Wednesday, January 28 at 3:00 in the theatre where we will discuss scheduling, our rehearsal process, and finally, sit down with the popcorn machine and watch the live recording of the 25th Anniversary Phantom of the Opera Production!

Once again, words cannot express how grateful we are that each of you shared your time and talents with us during these auditions. **-Muenster**
