BROADWAY CARES/EQUITY FIGHTS AIDS

For nearly three decades, Broadway Cares/Equity Fights AIDS has worked to raise funds to prevent the spread and support the treatment of this global pandemic disease. The organization has worked hand-in-hand with the entertainment industry, including the International Thespian Society, to support its mission.

Over the past six years, Broadway Bound has helped raise over \$15,000 to support the work of Broadway Cares/Equity Fights AIDS.

Thank you for coming to today’s performance to support BC/EFA!
